

## Messaging Setup

- To receive a message alert on your mobile you need to buy our messaging service. For this select number of messages you want to buy, just click on radio button.
- Select 'Credit card type' then fill the 'credit card details'
- Please fill Address details.

The screenshot shows the 'Messaging Setup' web interface. On the left is a vertical sidebar with navigation buttons: Alarm Settings, Device Setup, Geofences, Map Notification, Messaging Setup (highlighted), and Recipient Setup. The main content area is titled 'Messaging Setup' and contains the following sections:

- M-Protekt Messaging Service Balance : 0 Messages.**
- M-Protekt offers you MMS(M-Protekt Messaging Service).** Do you expect to receive a lot of SMS alerts? Prepay for 1000 alerts for only \$180 (\$70 saving from Telstra rate). Or if you expect lower usage of the SMS alert service, prepay for 100 alerts for only \$20. The prepaid alerts never expire; when you run out, you buy more. You can set up the SMS alerts for multiple Australian mobile phone numbers. Opt in now by credit card and set up alerts to single or multiple mobile phones straight away.
- 1. Select one of the following 2 Options:\***
  - 1000 SMS alert for \$180(incl GST)
  - 100 SMS alert for \$20(incl GST).
