

Business Trip Rules

In this feature you can separate your business and personal trip by creating some rules.

There are two tabs in this panel 1. Rules Setup 2. View Trip

1. In the rule setup tab, we can add new rules and we can edit existing rules.
2. There are 4 panel in this tab 1. Vehicles, 2. Business Trip Detail and Attribute, 3. Selection Tree and 4. View for see defined rules list.

The screenshot displays the 'Business Trip Rules' interface. The top navigation bar includes 'Assign RFID as Key To Driver' and 'Business Trip Rules'. The main content area is divided into four panels:

- Vehicles:** A search bar and a list of assets. One asset is visible: VR400W 7042, Active Last 29/09/2021.
- Business Trip:** A form for creating or editing a rule. Fields include Rule Name, Date Range (29/09/2021 - 30/09/2021), and Status (Enable). There is an 'Add' button at the bottom.
- Your Selection:** A panel for selecting days and times. It includes a 'Days' section with checkboxes for Select All, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. It also has 'Start Time' (14:10) and 'End Time' (15:10) fields.
- View:** A table showing defined rules. The table has columns for Vehicle No, Rule Name, Date Range, and Status. One rule is listed: VR400W 7042, test, 04/08/2021 - 05/08/2021, Disabled. Action buttons for Copy Rule and a trash icon are present.

At the bottom of the interface, there are 'Save' and 'Reset' buttons, and a breadcrumb trail: Admin > Business Trip Rules.

To add new rule please select vehicle and enter rule name, date range till rule work.

The screenshot displays the 'Business Trip Rules' configuration page. On the left sidebar, the 'Business Trip Rules' button is highlighted. The main content area is divided into several sections:

- Vehicles:** A search bar and a list of assets. One asset is visible: VR400W 7042, Active Last 29/09/2021.
- Business Trip:** A form with fields for Rule Name (Test1), Date Range (29/09/2021 - 30/09/2021), and Status (Enable).
- Attributes:** A section for selecting days and times. Days selected: Monday, Wednesday, Friday, Saturday. Start Time: 14:10, End Time: 15:10.
- Your Selection:** A section showing the selected vehicle: VR400W 7042.
- View:** A table showing the rule configuration.

Vehicle No	Rule Name	Date Range	Status	Actions
VR400W 7042	test	04/08/2021 - 05/08/2021	Disabled	Copy Rule, Edit, Delete

Select days and set time you want to set business trip then clicks 'add' button.

After adding days and time it will show tree view in your selection panel. Click on 'Save' button to save rule.

Admin > Business Trip Rules

Click to edit icon you want to edit rule, it will open panel in edit mode then edit your detail and click on update button to save information.

The screenshot shows the 'Business Trip Rules' management interface. The left sidebar contains navigation buttons for 'Assign Rfid/dallas Key To Driver', 'Assign Drivers To Vehicles', 'Automated Reporting', 'Business Trip Rules', 'Device Setup', 'Geofences', and a return button. The main content area has two tabs: 'Rules Setup' and 'View Trips'. The 'Rules Setup' section includes a 'Vehicles' list, a 'Business Trip' form (Rule Name: test, Date Range: 04/08/2021 - 05/08/2021, Status: Disable), and an 'Attributes' section with checkboxes for days and start/end times. The 'Your Selection' section shows a calendar view for 'VR400W 7042' with time slots for each day. The 'View' table displays the following data:

Vehicle No	Rule Name	Date Range	Status	Copy Rule	Edit	Delete
VR400W 7042	test	04/08/2021 - 05/08/2021	Disabled	Copy Rule		
VR400W 7042	Test1	29/09/2021 - 30/09/2021	Enabled	Copy Rule		

At the bottom right of the 'View' table, there are 'Update' and 'Reset' buttons. Red arrows indicate the flow from the text above to the 'Copy Rule' and 'Update' buttons in the 'View' table.

If you want to change status (Enabled/Disabled) rule, click on 'Enabled/Disabled' button in view.

If you want to copy rule, click on 'Copy Rule' button in view.

If you want to delete rule, click on delete icon in view.

When you click Copy Rule Button it will open a panel with device list. Select devices on which you want to apply same rule then click 'Apply' button to copy rule to selected devices.

The screenshot displays the 'Business Trip Rules' management interface. A modal window titled 'Copy Rule To Vehicles' is open, showing a list of vehicles under the heading 'ASSETS'. The vehicle 'VR400W 7042' is listed with a radio button next to it, indicating it is selected. The modal also features an 'Apply' button at the bottom. In the background, the main interface shows a rule configuration for 'test' with a date range of '29/09/2021 - 30/09/2021' and a status of 'Enabled'. A table on the right shows a list of rules with columns for 'Vehicle No', 'Rule Name', 'Date Range', and 'Status'. The table contains two entries: one for 'test' (disabled) and one for 'Test1' (enabled). The left sidebar contains navigation buttons for 'Assign Rfid/dallas Key To Driver', 'Assign Drivers To Vehicles', 'Automated Reporting', 'Business Trip Rules', 'Device Setup', 'Geofences', and a home button.

Vehicle No	Rule Name	Date Range	Status
VR400W 7042	test	04/08/2021 - 05/08/2021	Disabled
VR400W 7042	Test1	29/09/2021 - 30/09/2021	Enabled

View Tab

To see your trip detail, select vehicle and date range then click 'Get' button to view trips.

The screenshot displays the 'Business Trip Rules' application interface. The top navigation bar includes 'Rules Setup' and 'View Trips'. The left sidebar contains navigation buttons for 'Assign Rfid/dallas Key To Driver', 'Assign Drivers To Vehicles', 'Automated Reporting', 'Business Trip Rules', 'Device Setup', and 'Geofences'. The main content area features a search bar, a date range selector (29/09/2021 00:00 - 29/09/2021 23:59), and a 'Get' button. Below this is a table of trip data with columns for Driver, RFID Key, Date Time, Location, Odometer, Date Time, Location, Odometer, Distance, Travel Time, and Trip Type. The table lists several trips, including one marked as 'Business' and another as 'Personal'.
