

Live Tracking of vehicle

- Click on the Tracking in Map Menu, it will Open the left Menu in which you can see the vehicle List
- Click any vehicle form the Vehicle List section. You can't track Not in use device.

The screenshot displays a web-based tracking application. On the left, there is a sidebar menu with options: Home, Tracking, Activity, Replay, Trips, and Routing. The 'Tracking' option is selected. Below the menu is a 'Daily Activity Log' section with a search bar and a table. The table has columns for 'Event Time', 'Ign', 'Speed', 'Trip', and 'Location'. Below the table, it says 'No Record Found...'. The main area is a map of Perth, Australia, showing various landmarks and streets. A red circle highlights a specific location on the map, and a red arrow points from this circle to the 'Tracking' menu item. Another red arrow points from the 'Tracking' menu item to the 'Vehicle List' section in the sidebar. The 'Vehicle List' section has two tabs: 'ASSETS' and 'NOT IN USE'. The 'ASSETS' tab is active, showing a table with columns: 'Vehicle', 'Driver', 'Plan', 'Date', 'Time', 'Speed', and 'Location'. The table contains one entry: 'VR400W 7042 Moky Live 01/10/2021 11:55:03 32.00 57, Esplanade, Nedlands, Perth'. The 'NOT IN USE' tab is also visible, showing a table with columns: 'Vehicle', 'Driver', 'Plan', 'Last Active On', and 'Last Location'. The table contains one entry: 'VRLK2103G 2737 Grant 28/09/2021 4:28:54 pm 40, Jersey Street, J...'. A red arrow points from this entry to a yellow callout box on the map that reads 'VRLK2103G 2737 Grant 40, Jersey Street, Jolimont, Western Australia, 5014 Australia'. Another yellow callout box on the map reads 'VR400W 7042 Moky 57, Esplanade, Nedlands, Perth, Western Australia, 6009, Australia'. The map also shows various landmarks like 'Graylands Hospital', 'Shenton Bushland', 'The University of Western Australia', and 'Kings Park and Botanic Garden'. The bottom of the map has a Google logo and 'Powered by VIRTUOSO Copyright @ 2021-2022 All rights reserved.'.

- After select a vehicle the “Daily Activity Log” section will display all information and the map will show the current location of this selected vehicle.
- Select multiple vehicles from vehicles list section to track multiple vehicles at same time.

The screenshot displays a vehicle tracking application interface. On the left, there is a sidebar with a search bar and a list of vehicles. The 'ASSETS' section shows a table with columns for Vehicle, Driver, Plan, Date, Time, Speed, and Location. Below it, the 'NOT IN USE' section shows another table with columns for Vehicle, Driver, Plan, Last Active On, and Last Location. A 'Daily Activity Log' section is also visible, showing details for vehicle VR400W 7042, including satellite count, date, and a table of events with columns for Event, Time, Ign, Speed, Trip, and Location. A red arrow points from the text in the first bullet point to the 'Location' column in the 'Daily Activity Log' table. Another red arrow points from the text in the second bullet point to the 'Vehicle' column in the 'ASSETS' table. The main area of the interface is a map of Nedlands, Perth, showing various landmarks and streets. A red arrow points from the text in the first bullet point to a yellow location pin on the map labeled 'VR400W 7042 Moky'. The map includes a search bar, a 'Map' dropdown, and various navigation controls like zoom in/out, pan, and a street view icon. The bottom of the map shows the Google logo and 'Powered by VIRTUOSO'.
