

Search in vehicle List

- You can search the vehicle in left menu by two ways, 1. Simple Search, 2. Advance Search
- For Simple search enter text in textbox (Vehicle and Driver Name).
- Vehicle list will come, according to search text on your key input.

The screenshot displays a vehicle tracking application interface. On the left, a search bar contains the text 'VR'. Below it, a table lists assets. The first asset is VRLK2103G 2737, and the second is VR400W 7042. The map on the right shows a red dot representing the location of VR400W 7042. A tooltip for this vehicle shows its location as 'VR400W 7042 Moky 50, Jersey St, Jolimont, Perth, Western Australia, 6014, Australia'. Another tooltip for VRLK2103G 2737 shows its location as 'VRLK2103G 2737 Grant 40, Jersey Street, Jolimont, Western Australia, 6014 Australia'. The interface includes a navigation menu on the left with options like 'Resize', 'Tracking', 'Activity', 'Replay', 'Trips', and 'Routing'. The bottom of the screen shows 'Google Powered by VIRTUOSO Copyright @ 2021-2022 All rights reserved.' and 'Keyboard shortcuts Map data ©2021 Terms of Use Report a map error'.

Vehicle	Driver	Plan	Date	Time	Speed	Location
VRLK2103G 2737	Grant	Credit	30/09/2021	11:08:05	0.00	40, Jersey Street, Jolimont, W
VR400W 7042	Moky	Live	30/09/2021	14:12:24	0.00	50, Jersey St, Jolimont, Perth

Advance search in vehicle List

- Click on the Advance Search button to open Advance Search Panel in left menu.
- In advance search panel you can search the vehicle by Text Filter or Group Filter

The screenshot displays the 'Advance Search' panel in the software interface. The panel is titled 'Advance Search' and contains the following elements:

- Text Filters:** A search input field labeled 'Search..' and three checkboxes: 'Driver', 'Location', and 'Vehicle'.
- Select Groups:** A section with a checkbox labeled 'Assets'.
- Buttons:** 'Reset' and 'Close' buttons at the bottom of the panel.

The background shows a map with two vehicle locations marked by red dots and callouts. The callout for 'VR400W 7042 Moky 50, Jersey St, Jolimont, Perth, Western Australia, 6014, Australia' is highlighted in yellow. The callout for 'VRLK2103G 2737 Grant 40, Jersey Street, Jolimont, Western Australia, 6014, Australia' is also highlighted in yellow. The interface includes a table of assets, a daily activity log, and various map controls like zoom and tracking.

- Enter search text in textbox and select the checkbox of **Text filter** and **Group filter** and then Click on close button the panel, you see the searched result.

The image displays two screenshots of a vehicle tracking software interface. The top screenshot shows the 'Advance Search' panel with the search text 'VR40Q' entered. The 'Text Filters' section has 'Vehicle' checked, and the 'Select Groups' section has 'Assets' checked. The 'Close' button is highlighted. The bottom screenshot shows the same interface after the search panel is closed. The search results are displayed in a table under the 'ASSETS' section.

Vehicle	Driver	Plan	Date	Time	Speed	Location
VR40QW 7042	Moky	Live	30/09/2021	14:12:24	0.00	50, Jersey St, Jolimont, Perth, Western Australia, 6014, Australia

Below the table, there is a 'Daily Activity Log' section with 'Satellites: Date:' and an 'Event Log' section with 'Event Time Ign Speed Trip Location' and 'No Record Found..'. A sidebar on the right contains navigation icons for Tracking, Activity, Replay, Trips, and Routing. The map shows a red dot representing the vehicle's location. The bottom of the interface includes a Google logo, 'Powered by VIRTUOSO Copyright @ 2021-2022 All rights reserved.', and keyboard shortcuts.

After closing advance panel, you can see the searched vehicle
