To See report please follow these steps:

Select Report name.

You require to select a vehicle/driver/vehicle group and select vehicle/driver/vehicle group name.

Select date range for which you want to see data.

Select Start time and end time.

Select checkbox if you need to view data for selected time-period day wise.

The screenshot shows the 'Analytics' interface with three main sections: 'Type', 'For', and 'Criteria'. The 'Type' section on the left contains a search bar and a list of report types, with 'Stop Report' highlighted. The 'For' section in the middle has a dropdown menu set to 'Vehicle', a search bar, and a list of vehicles with 'VR400W 7042' selected. The 'Criteria' section on the right includes a 'Date Range' field set to '22/09/2021 - 22/09/2021', 'Start Time' (00:00) and 'End Time' (23:59) fields, and a checkbox for 'View data for selected time period day wise'. At the bottom right, there are 'View Report' and 'Reset' buttons. Red arrows from the text blocks point to these specific elements.

Click on View Report to see report.

Click on reset button to reset selected criteria.

Following report will generate according to your selected criteria.

Here you can download report in PDF, Excel, and word format by clicking the respective icons.

The screenshot shows an analytics dashboard with a modal window titled "Stop Report By Vehicle" for vehicle VR400W 7042. The report is generated for the date range 22/09/2021 00:00 to 22/09/2021 23:59. The report is displayed in a modal window with download options for PDF, Excel, and Word. A red circle highlights the download icons and the report title.
